

# CHECK YOUR SCHOOL BUS MIRRORS'

ACCORDING TO CDL STANDARDS

## 1 LEFT & RIGHT FLAT MIRRORS

- ✓ View traffic to rear, along the sides of the bus, and behind the bus.
- ✓ Check lane position & rear tires (touching the ground).

## 2 LEFT & RIGHT CONVEX MIRRORS

- ✓ Provide a wider view to the rear.
- ✓ Allow driver to view the **danger zones** around the bus in each mirror.

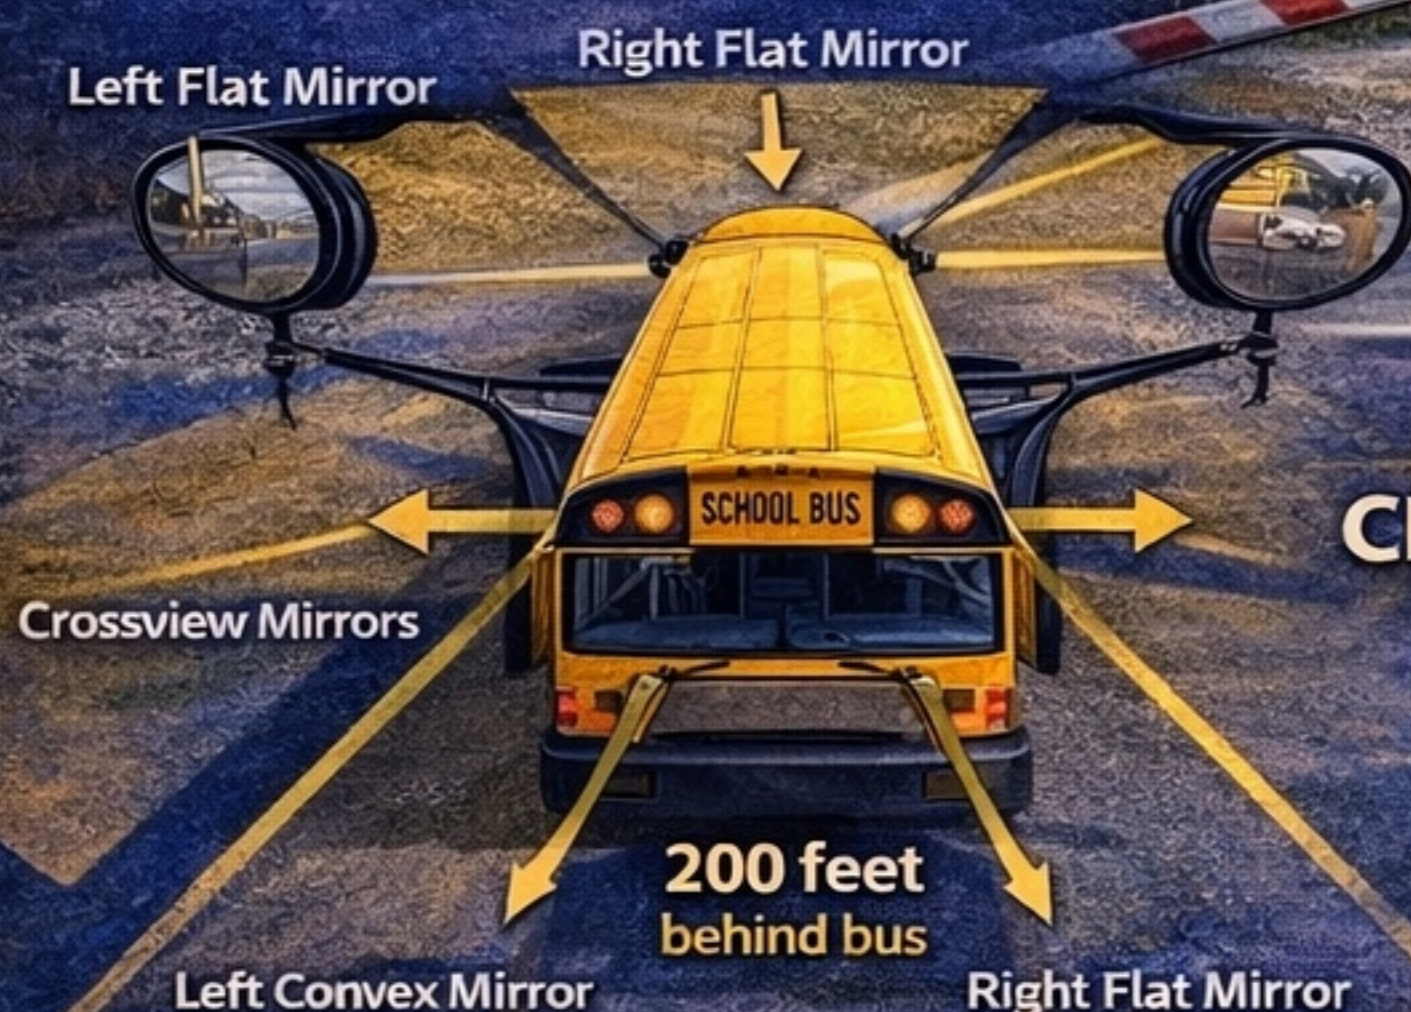

## 3 CROSSVIEW MIRRORS

- ✓ See the danger zones in front of the bus and near front bumper.

## 4 INTERIOR REARVIEW MIRROR

- ✓ Observe passengers in the **back** of the bus.

ENSURE ALL MIRRORS ARE CHECKED & ADJUSTED FOR MAXIMUM VISIBILITY!
